# Sangeet Kumar Mishra

## Machine Learning Developer

C-340

VS Hall of Residence, IIT Kharagpur

+91-7478017666

+91-7008679197

<https://sangeet259.github.io>

mail2sangeetmishra@gmail.com

## SKILLS

Programming Languages : C , C++ , Python (Fluent)

Web Technologies : HTML , CSS , JavaScript

Libraries: SciKit Learn, Tensorflow , ROS , Qt (PySide), OpenCV, Numpy, Pandas

## EXPERIENCE

### Team AUV, IIT Kharagpur - *Software Implementation*

February 2017 - PRESENT

- Developed Bash Script for automating tasks.
- Implemented CA - CFAR algorithm for Object Detection in OpenCV.
- Used HSV Thresholding for Object Detection

## EDUCATION

### Indian Institute of Technology , Kharagpur- *Civil Engineering*

July 2016 - Present

Cumulative GPA : 8.47

## Courses

- Algorithms Specialisation , Stanford University (MOOC via Coursera)
- Machine Learning , Stanford University (MOOC via Coursera)
- CS231n by Stanford University (ONGOING)
- Deep Learning Specialization , Andrew Ng , MOOC via Coursera (ONGOING)
- Programming and Data Structures , IIT Kharagpur
